Shorthorn SALE

Braemor Starry Archer 45th - - He Sells as Lot 1

Friday, May 8, 1953

Elizabeth, Colorado

The Cummings families – John R. Cummings, Mrs. John R. Cummings, Mrs. Russel J. Cummings, Russel J. Cummings and Steve Cummings, son of Mr. and Mrs. Russel Cummings, with their undefeated summer yearling Idylweiss Nonpareil 2nd and their champion, Braemor Starry Archer 54th. They sell as Lot No. 1 and 14 in this sale.

Dear Friends:

We are happy to invite you and everyone interested in Shorthorns, to our first annual sale.

We are selling 60 head of cattle and may we say – there is not one single animal in the sale that we would not be willing to keep in our own herd.

Our present plans are to make this sale an annual event. There is only one way to make it successful and that is to sell good cattle that we are sure our buyers will appreciate.

We are selling 7 head from our show string – four bulls and three females. They have stood high in their classes in all 9 state and national shows where we exhibited this year against the strongest competition in the country.

The 13 two-year-old bred heifers in the sale were saved last year from our calf crop as replacement females to the cow herd.

The 13 bulls have been selected from our complete crop of more than 40 bulls and the 22 open heifers are the best group of young females we have ever offered for sale. The cows with calves at foot will speak for themselves.

We have one of the largest herds of Registered Shorthorns in the country. This makes it possible for us to offer you such an outstanding group of cattle.

We hope you will plan to be with us May 8, 1953, whether you are interested in buying cattle or not. We will make every effort to make your day at the farm an enjoyable one.

JOHN R. and RUSSEL J. CUMMINGS

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

Idylweiss Nonpareil 2nd and Braemor Starry Archer 54th. This outstanding pair of yearlings with great show records to their credit both sell in this sale.

THE MAGNET . . . IS QUALITY

John R. Cummings & Son, Elizabeth, Colorado, certainly have one of the best balanced Shorthorn operations in the country today. A good sized registered herd, plus a top quality commercial herd that is large enough to try out their prospective herd sires before they go into the registered herd and at the same time to supply outstanding feeder calves of show type and quality that have proved themselves good enough to win in the strongest of interbreed competition.

I am full of admiration for the Cummings family because their set-up is an example of just how well Shorthorn cattle can do for the right people. A visit with them personally, an inspection of their beautiful and practical ranch and an opportunity to go over the good cattle they are producing is always an inspiration to me and I know it will be to every one of their guests at the Cummings ranch on May 8th.

There are bulls and females in this sale that can work herd improvement for anyone and I hope to see a great many Shorthorn enthusiasts at the Cummings Ranch on May 8th.

BRAEMOR STARRY ARCHER 54th — Here is the bull that headed our show herd this year. He was reserve grand champion bull at the 1951 Nebraska State Fair as a junior calf. His sire was a top selling bull of the 1950 Nebraska-Kansas Sale where he was purchased by Wm. H. Roda, Paradise, Kansas. He won his class in 1952 at Wyoming, Colorado and New Mexico State Fairs and stood second at Oklahoma City. In 1953 he stood fifth in class at Denver, second at Fort Worth and Houston and was grand champion at San Antonio. He is a grand headed bull with lots of depth and bone and wonderful type. You will note that he is a double bred Millhills Starry Archer and Brawith Nugget, two of the greatest sires ever used in the Retzlaff herd at Walton, Nebraska, where they sired a Denver grand champion bull and a Chicago International sale champion and top selling female among many other winners.

MAISIE 42d — has a red bull calf at foot, calved Feb. 18th, sired by Golden Oak Prince 28th. A good headed calf that looks like he would develop into a good herd bull.

Jealousy 7th by Marellbar Impression. First-prize winner at Denver and the 1951 Iowa Royal reserve champion female where we purchased her from W. C. Anderson & Son, West Liberty, Iowa.

“MIDDLE-OF-THE-ROAD SHORTHORNS” have always been what the Cummings have striven to produce. Shorthorns with depth, thickness, substance, easy fleshing and rapid gaining ability, yet with no sacrifice in breed, character and quality.

The next 22 heifers that sell are all open. They have all been officially calfhooed vaccinated for Bangs. These include 8 daughters of Golden Oak Prince 28th, 4 by Prince Peter Archer, 5 by Ransom Pretender, 3 by Elcona National Leader and 2 by Ransom. They are the best group of females ever produced in the Cummings herd.
